## User Stories

- As a user, I want to select a legal document type so the draft structure matches my use case.
- As a user, I want to enter parties, terms and an effective date so the generated draft reflects my details.
- As a user, I want to edit the generated content before download.
- As a user, I want to download the latest version as TXT, DOCX or PDF.
- As a user, I want clear errors if AI generation or export fails.
