Problem - Solution Fit Template

Canvas Area	LegalEase
Customer Segments	Startup founders, freelancers, landlords, professionals and individuals needing customizable legal-document drafts.
Problems	Generic templates; repetitive drafting; inconsistent formatting; manual conversion; difficulty organizing parties, terms and dates.
Existing Alternatives	Word templates, online template websites, manual drafting, copying previous agreements, professional legal services.
Solution	AI-assisted document drafting through Streamlit + FastAPI + Gemini, followed by editable preview and multi-format export.
Key Features	Multiple document types; structured inputs; Gemini generation; editable preview; TXT/DOCX/PDF export; branding; validation.
Value Proposition	Create a structured, customizable legal-document draft faster while retaining user control over wording and final export.
Important Boundary	LegalEase provides drafting assistance for informational/educational purposes and does not guarantee legal validity or replace professional legal advice.
